

# SCOTT'S

"There is hardly anything in the world that someone cannot make a little worse and sell a little cheaper - and the people who consider price alone are this man's lawful prey."  
- John Ruskin

## DEPEND ON SPECIALISTS AND SAVE

This is Scott's 82nd year as specialists in the field of lawn and garden supplies. Our advice is sought by garden clubs, conservatories, landscape architects, and nurserymen.

Our reputation rests firmly on a foundation of courtesy, service, and quality products. This year, again, Scott's is preparing to serve you with a complete line of lawn and garden supplies; properly priced quality products to bring vibrant beauty to your lawn and garden.

Our staff is highly trained, seasoned by years of experience, and prepared to pass on to you the proper knowledge for the solution of your particular problem. You will find it less expensive to buy at Scott's because you will be buying the best product for your particular need.

### LAWN AND GARDEN CONSULTANT

In addition to our highly trained staff of employees, some of whom have been with Scott's from 20 to 35 years, we shall have a Lawn and Garden Consultant in our Smithfield Street store from March 15, 1958 through the month of May.

Mr. Raymond H. Blanck will be our Lawn and Garden Consultant and qualifies for this position by reason of his education at Penn State University resulting in a Bachelor's Degree in our field and a Master's Degree in 1955. His own personal background begins on a farm and continues through research, travel, and public speaking in the field of lawns and gardens.

May we suggest that you bring your problems, regardless of size, to Mr. Blanck at our Smithfield Street store and derive the benefit of solving your problem with the help of this specialist.
